

LightCraft

Lighting & Magnification Solutions

An excellent range of magnifier & task lamps, headband magnifiers and light boxes for close-up detailed work in the home, studio or workplace

www.light-craft.co.uk

LightCraft offers a great value range of fluorescent & LED daylight magnifier lamps.

The range includes, Table lamps, Long reach & Task lamps, Headband magnifiers and Lightboxes.

The fluorescent daylight tubes allow you to view colours accurately anytime day or night, as well as the smaller detail on objects. The tubes provide a consistent shadow free light source, are energy saving and have low heat emission which means that you can work for longer and in comfort. The new LED lamp will give you hours of natural energy efficient light, long reach and the option of extra magnification.

From occasional user to professional, Lightcraft has the product to suit your needs.

The uses are wide and varied, including reading, writing & study, crafting & modelling, sewing & tapestry, jewellery making, electronics and light industrial work, airbrushing, nail art & filing, stamp collecting, painting and even smaller DIY tasks....
The list goes on!

All Lightcraft products comply with EU quality standards
